Q-LINE

SOFT FORMS AND FLEXIBILITY

Q-railing

A system that provides endless options

Q-line is, without doubt, our most versatile system. It comes with a mass of different components that can deal with most architectural challenges, and just about any special requirement. You can even create a railing with a totally mirror polished finish. Or how about bringing in some parts from other systems to create a totally unique design? Just let your imagination loose.

- Top and fascia mount variants
- Light and medium use railings for indoor and outdoor settings, including stairs
- No welding required - only gluing, drilling and tapping
- Can be combined with:
  - Q-glass (glass infill – custom made panels or from stock)
  - All Q-railing handrails – round or square, stainless steel or wood (Naturail and Bendywood)
  - Q-lights Linear Light and Q-lights Spotlight (for LED-lit handrails)

BS 6180 APPROVED · AbP BAUART GEPRÜFT · MIAMI-DADE COUNTY · ANSI · ASTM INTERNATIONAL

Q-LINE INFILLS

Glass

- Glass frame tube
- Glass clamps
- Glass adapters - Spider
- Glass holders

Bar / tube

- Horizontal infills
- Vertical infills

Cable

- Fast Fix Ø 3,2 mm
- Fast Fix Ø 4,0 mm
- Ø 3,2 mm
- Ø 6,0 mm

Web

- Easy Q-web

Plate

- Plate adapters

MOD 8925, 0900
311, 313

Q-INFO

Save time and money with Q-tube

Q-tube has a far tighter tolerance than a standard commercial tube. Even the welding seam of Q-tube has been specially adapted to our fittings. Therefore the tube fits perfectly in conjunction with our fittings, in order for you to be able to work fast and effectively. To prevent damage, and to guarantee the quality, each tube section is separately packaged.
